

07.22.2020

County Court and County Clerk's Office

In this office, they kept track of important county documents and record books, such as births, deaths, election returns, voter lists, marriage licenses, copies of deeds, etc.

In this room you will find era appropriate items such as:

- Replica heating stove
- Large Desk with Pigeonholes for keeping papers (early style of keeping),
- Storage cabinet with tin boxes (older way of keeping),
- Official Seal Press- was the turn of the century
- Letter/Book Press-used for making copies of letters into blank books
